Dear Friend,

Each year, the Friends of Cornerstone Junior Board works hard to bring awareness and raise funds to support Cornerstone's mission: to nurture confident young minds and support all families. In February, we're excited to host our 11th annual trivia event: *Wild, Wild, West Trivia*.

This is the Friends of Cornerstone's most important annual fundraiser, with our last trivia night raising over $28,000 in total. This year, we want to go even further and host our most impactful event yet!

How does your participation in trivia help Cornerstone families? In 2026, your support allowed us to provide:

- **79,550 diapers at no cost to families**
- **2,150 hours of award-winning care and education provided to 180 children**
- **1,611 individual therapy sessions conducted on-site**
- **645 nutritious meals and snacks served to every Cornerstone child**
- **109 children served from low-income households with tuition of $25 or less per week**
- **29 zip codes represented by Cornerstone students this year**
- **52 children who received on-site therapies at no cost to their families**
- **29 children prioritized and enrolled who are or were in foster care**

We are asking you to please consider sponsoring our event this coming February. Your gift will ensure that Cornerstone can continue to serve families of all economic backgrounds, and empower parents to remain in the workforce or in school with the knowledge that their children are receiving nurturing, award-winning care and education.

We'd also like to offer you something in return for your generosity. Please see the following pages for more information or visit Focc2027.givesmart.com to learn more about sponsorship opportunities, sign up your team, purchase raffle tickets, and secure your mulligans!

With your support, we can build a stronger community.

With gratitude,

Karen Lucy
